

Real jobs for little hands

a family chore chart that grows with your kid 

Kids don't just want to be busy. They want to be **needed**. A real job, owned start to finish, tells a kid: this family runs better because you're in it. Pick jobs from the age lists below, write them on the chart, and let the checkmarks pile up.

Ages 4–5

- ✦ Feed the pet (with a helper)
- ✦ Match the socks
- ✦ Water one plant
- ✦ Put toys back in their bins

Ages 6–7

- ✦ Set the table
- ✦ Make the bed
- ✦ Sort laundry into lights and darks
- ✦ Pack the library bag

Ages 8–9

- ✦ Empty the dishwasher
- ✦ Take out the recycling
- ✦ Make a simple snack
- ✦ Sweep the porch or steps

The weekly chart and cut-out job cards are inside.
