

My first sight words

the 40 little words your reader will meet everywhere 

Sight words are the small, super-common words (like **the**, **said**, and **you**) that readers learn to know on sight instead of sounding out. Knowing them makes early reading feel smooth instead of bumpy.

a and away big blue can come down find
for funny go help here I in is it jump
little look make me my not one play red
run said see the three to two up we
where yellow you

the plan: one page a day, six words at a time – read it, trace it, write it!

Seven practice pages inside.
